The Honorable Kay Granger
Chairwoman

The Honorable Rosa Delauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the The Valwood Area Street Rehabilitation Project in fiscal year 2024. The entity to receive funding for this project is the City of Conroe, located at 300 W. Davis Street, Conroe, TX, 77301. The funding would be used for reconstruction of the aged road system that is currently severely deteriorated. The project is an appropriate use of taxpayer funds because the City of Conroe is the seventh fastest growing city in the United States. The potential economic impact on the national economy from the City of Conroe justifies the Federal Government investing in the ability to safely and consistently transport goods and persons on Conroe's roads. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Morgan Luttrell". The signature is stylized with a large, sweeping "M" and a cursive "Luttrell".
